

Name _____ Date _____

Research Notes

Read, read, read about your topic! Once you have found important information, get **as much** of the following information as you can, written down.

Type of Source (Circle One): Book Article Website Video Other: _____

Where I found this resource (location or website): _____

Author/Director: _____ Year it was written: _____ Day: _____ Month: _____

Title: _____

City where it was published: _____ Date it was published : _____

Today's date: _____ Other information : _____

Information from this Source that I think is important (Remember to place quotation marks around information if you write **exactly** what the author wrote. Otherwise, restate the information **in your own words!** If you don't, it is plagiarism and you will get in trouble for plagiarizing.):

Type of Source (Circle One): Book Article Website Video Other: _____

****If this is a source you have already recorded, write only the **title** and the **author** and then the important notes in the box provided.****
